

# Parents with children in years 9-12 – help your child succeed through high school and beyond

## APFACTS presents Angie Wilcock Youth Transition Workshops:

### Successful Transitions – Parents making a difference & The T.O.P.S. Program – Success in school and beyond

Angie Wilcock, respected education adviser and published author on Youth Transitions equips parents with the practical skills their children need for success in high school and beyond. Experience hands-on activities in time management, organisation, goal setting, life balance and getting a job.

For more information on these free workshops go to [www.apfacts.org.au/site/events](http://www.apfacts.org.au/site/events) or turn over...

With assistance from the Australian and ACT Governments under the ACT Youth Attainment and Transitions Strategic Funding Pool.
